# BROOM INNOVATION

## MORE FILL WHERE IT'S NEEDED MOST!

All Josco Industrial Brooms feature an extra row of fibres on each edge to give you extra coverage where you need it most. The brooms are more effective and longer lasting.

## TAKING CARE OF OUR ENVIRONMENT

At Josco Australia we are committed to taking care of our environment.

Wood backed brooms are stamped with the FSC (Forest Stewardship Council) logo to indicate that the quality timber is sourced ethically from sustainably managed forests.

Josco is committed to reducing waste by minimising packaging and doing our part for the sustainability of our planet.

## INDUSTRIAL ADAPTOR

The new Josco Clean industrial Thread Lock has been designed from the ground up to ensure broom handles are securely attached. The thread lock is also designed to be reversible so that the brooms can be reversed to extend the life of the bristles.

Thread Lock

JC4011 Hand brush  
& Dustpan Set

## HAND BRUSH & DUSTPAN SET

Our new Josco Clean Professional dustpan and brush set features convenient dustpan teeth to help remove debris from the hand brush. It also features a solid plastic lip that is designed to be used with wet and damp debris such as food scraps, paper towels or tissues.

## FILL TYPES SELECTION & APPLICATION GUIDE

★ BEST COMBINATION    ● SUITABLE COMBINATION

FIBRE/FILL	SMOOTH SURFACE	ROUGH SURFACE	WATER RESISTANT	WATER RETENTION	DUST RETENTION	HEAT RESISTANT	CHEMICAL RESISTANT	LARGE DEBRIS
<b>STIFF PP*</b> moves heavy debris	●	★	●					★
<b>MEDIUM STIFF PP*</b> general purpose, indoor & outdoor	●	●	●		●			●
<b>SOFT PET*</b> low abrasion, for smaller debris	★	●			★			●
<b>JAVA</b> oil, solvent & heat resistant	●	●		●		★	★	●
<b>BASSINE</b> stiff & hard wearing	●	★	●		●	●	●	★
<b>HORSE HAIR</b> scratch-free & dust attracting	★		●		★			
<b>TAMPICO</b> carries water & chemicals		●		★		★	★	
<b>COCO HAIR FIBRE</b> light & soft, for dust & small debris	★			★	★	★	★	

\* PP = Polypropylene; PET = Polyethylene Terephthalate

# BROOMS

# HANDLES & FITTINGS

## 2.0 HANDLES & FITTINGS

### WOOD & BAMBOO HANDLES

Josco's Broom handles are very durable and suited for everyday needs with a variety of different sizes available. Hardwood handles suit general use, while Bamboo handles deliver extra strength .

### METAL HANDLES

The Josco Silver Metal Handle is suitable for light duty brooms that have acme threaded fittings. They are great for high use brooms.

The Josco Mop Handle has a tapered thread to ensure a snug fit. Suits most cotton mops in Australia.

Josco's Heavy Duty Aluminium Handle is a great choice when a stronger handle is required.

### FLOW THROUGH HANDLES

The Josco Flow Through Handle has an internal container to add soap, and a clever feature that allows the water flow to be adjusted from off – to washing with soapy water – to washing with heavy suds (less water wasted) – to rinsing. Ideal for use with Josco's Flow through brushes.

### FERRULES

Josco's Heavy Duty Ferrule is a great choice when a stronger handle is required.

PART NO.	DESCRIPTION	INNER QTY	OUTER QTY	PACK QTY
